Dear Parent(s) and Guardian(s),

We are pleased to announce that your school has access to **Castle Learning (CL)**. It is a wonderful, web-based resource that allows your child to review **Math, Science, Social Studies, ELA, Music, Spanish** and **French** from any device that is connected to the Internet!

Your child can use CL throughout the school year to:
- **complete assignments** from their teachers
- **create** self-generated review sessions
- **prepare** for upcoming quizzes, tests and state assessments
- **practice** vocabulary, math skills, and grammar
- **practice** anywhere with internet access – they can even use their mobile devices

A Castle Learning student account with a Login ID and Password has been set up for your child. Ask your child to show you how easy it is to access Castle Learning!

To get started:

Call Support at 800-345-7606 if you are having trouble logging in

1. Go to www.castlelearning.com
2. Click on LOG IN (upper right corner)
3. Enter your child's CL login ID and password and click the *Sign in* button
    *Note: If your child has not set a password, leave the password field blank for the first time and click **Sign In**. Then, follow the steps to create a password.
4. Assignments from teachers will appear under Incomplete Assignments and the Teachers' icon
5. To generate an assignment without a teacher, select Self Study and select a Course or Regents Exam to review

Castle Learning Online Activities:
- Create review sessions with access to thousands of questions in the course database
- Work on assignments, which are sessions designed by the teacher
- Browse through the extensive vocabulary for the course or work on the vocabulary flash card activity
- Guided Essay writing, Enduring Issues, and Constructed Response activities are available in select Castle Learning courses
- An activity can be interrupted and saved at any time and continued at a later time

Should you have any questions, please contact our Support Team at (800) 345-7606 or support@castlelearning.com. We look forward to helping you!
